Dear Mrs Sierotko

Thank you for making a difference!

You might be surprised at what we can do with your donation of £310.00. From small things like a cup of tea or a welcoming smile, to the big things like help and advice on housing, all this is done with the help of people like you.

This Christmas, Crisis welcomed over 4,500 homeless people in London, Edinburgh, Newcastle, Birmingham and Coventry through the doors at 14 venues. Once inside, we hoped that our guests felt able to forget some of their troubles for a few days and enjoy themselves.

At Crisis at Christmas, with your kind support and that of thousands of volunteers, we provided company and comfort, food, a wash and brush up, new clothes, medical attention and a place to sleep for those who need it. With the New Year approaching, we also provided our guests with a new start, through advice and practical support, fixing up appointments to see experts who can help them get sorted out. After Christmas, many come to one of our Crisis year-round centres. There we help them with education and training, housing advice and getting back into employment.

Perhaps my best memory from Crisis at Christmas 2015 was the beaming smile of a guest, who left us at the end of the week not only with somewhere to live but also a job – gained through the hard work put in by our volunteer advice workers in partnership with one of the many other organisations that we cooperate with. We only achieve this through your help and support. Together we will end homelessness.

Thank you
