

FOSA News

The Friends of St. Anne's (FOSA) are a registered charity that has been going from strength to strength since it was formed in 1988

With the end of Summer Term fast approaching we've had a very busy year and you have helped us raise a fantastic amount!

We have some more great fund raising events lined up for the rest of the term!

Once again we cannot do any of these events without your support and help, so would like to say a big thank you to you all for your support over the last school year.

Royal Wedding / World Cup Disco

It's Disco time again!

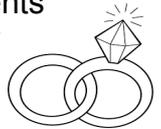

The Disco will take place on **Thursday 14th June.**

The theme this time will be the Royal Wedding and the World Cup. So come dressed for the occasion in your hats, posh frocks and football kits.

The KS1 (Infants) disco will take place at 5:30 to 6:15

The KS2 (Juniors) from 6:30 to 7:15.

As usual there will be refreshments available and will be looking for volunteers to help on the night. If you are able to help please let us know.

Buxton Carnival

Buxton Carnival will this year be taking place on **Sat 14th July.** We have been invited by this years Carnival committee to join in and carry out a bucket collection, as a thank you for opening up our school to provide refreshments at the start of the procession.

To do this we need to supply a minimum of 6 people to collect on the day and we can keep 60% of what we collect.

We are looking for people to help us collect; if you child is in the carnival and you are going to be at a loose end, why not join us and shake a collection bucket! You just need to walk round the crowds with a bucket as they throw their pennies in!

Pond Clearance

Apologies, but we have had to rearrange the date of this event.

At 10am on Sunday 24th June we would like you to come and join us clear the area to help make it in to educational resource again. The teachers would like to use this area so if we can do an initial clearance it would be a huge help.

The more people we can get the quicker we could get it done. If you can spare an hour please let us know. There will be a Facebook post shortly, or email us at the address below or let a member of the team know.

Table Top Sale

We will be holding a Table Top Sale in the playground (weather permitting) after school on **Friday 22nd June, 3:30-5pm**

Tables will cost £10 each, then whatever you make on the stall is yours! If you would like a stall please send in an envelope with your £10 to the office marked table top sale.

Do come along to support your fellow parents, I'm sure there will be a bargain or two to be had.

Drinks and refreshments will also be on sale. As well as the lovely Zoppi Ice Cream Van!

FOSA will also have a table where you will be able to order and pay for uniform from School Trends as well as gifts from your children.

Gifts from the Children

The children have been completing the designs for the shopper bag. To ensure we only order the number of bags we need the order forms get sent off with the artwork. An order form is enclosed for you to complete if you would like to purchase a bag (or two!). **Return via school, at the Disco or Table Top Sale!**

The **LAST** opportunity to order the bags will be at the Table Top Sale on the 22nd June

The class photos were very popular last year so these have been organised again. There will be an opportunity to purchase these at the afternoon tea events at the end of term. They will be available as a print, or, new this year, as a large magnet or keyring.

Afternoon Teas

We know you all love to treat yourself and your children to a good slice of cake and a drink, so, once again, we will be holding a series of Afternoon Tea Sessions the week commencing the **25th June**.

We have become conscious that there is always a long queue to get served and you don't always get chance to sit down and enjoy yourself; so we have had a rethink on the format.

There will now be an £2 entry fee and in return the tables will be set up with cakes and soft drinks ready for your arrival. Hot drinks will be served at the counter for supervision reasons. Hopefully this will mean no more queuing and more time with your children!!!

FOSA Payment System

We have been recently looking at how to make it easier for you to pay for things like Uniforms, Christmas Cards and Gift Bags.

We have decided to set up a FOSA Paypal account so there will be no need to write cheques or send money into school with children.

This service will only be available for certain FOSA Services and we will be running a test in the next few weeks with the Uniform Ordering.

Watch this space for further details!

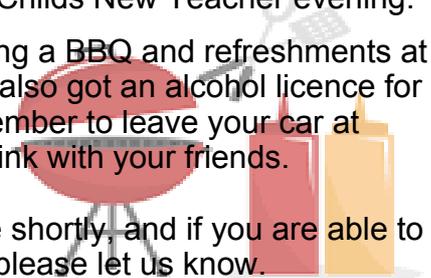

Save the Date - Summer BBQ

On the evening of **Thursday 12th July** the school is holding a Meet your Childs New Teacher evening.

FOSA will be providing a BBQ and refreshments at the event. We have also got an alcohol licence for the evening, so remember to leave your car at home and enjoy a drink with your friends.

More details to come shortly, and if you are able to help us on the night please let us know.

FOSA Spending

As I am sure your children have informed you, the new football goals have arrived as well as the dictionaries, bibles and thesauruses for the classrooms. There was an issue with the supplier for the netball posts, these have now been re-ordered. The storage box has been installed and we're in the process of stocking this.

Blinds have been ordered for the Year 6 classrooms and will be installed on the 13th June.

In discussion with School we have agreed to part fund a set of 34 iPads and 2 charging trollies for use by all classes. One trolley and 17 iPads will be available in the KS1 area and the other in KS2. This will help both the teachers and children enormously by bringing technology into the classroom. We are hoping to get these purchased before the end of term.

There are plans for a new reading den in Reception with their allocation of FOSA Money

We've also provided coaches for the Year 1 trip to Peak Wildlife Park and the upcoming choir trip to Chesterfield

We still need to raise more money to match the quote for the iPads and charging units so please do come and support us at the various events.

Also, are you a business owner, or do you know someone who may be interested in sponsoring an iPad for us? Please get in touch if so, we would love to hear from you!

House T-Shirts

We put forward a suggestion to school that the P.E. T-Shirts should be changed such that each child's shirt reflected the colour of the house they are in at school with the school logo printed on the top left. School and the Governors have agreed this change! This should provide consistency in the t-shirts that the children wear and a sense of belonging within each house (as well helping parents by not having to find a specific colour t-shirt when required!). These shirts could always be worn for all other house activities, school trips etc.

We are aware that the white t-shirts are available cheaply in a number of places so, to minimise costs to the parents, we are currently looking into the cheapest orders for these. We are aware that parents with multiple children in the school may potentially need to buy multiple colours and size so will be running a second hand stall to ensure the costs are kept as low as possible moving forward.

We are doing a bulk order of t-shirts in the next week or two from School Trends. Order yours at the disco or Table Top Sale Or purchase one direct from us!

Teddy Bear's Picnic

On the afternoon of **Friday 22nd June** the current Reception class will be welcoming the children who will be starting school in September into school for a Teddy Bears Picnic.

The current Reception children have been busy writing invitations for this to be sent out shortly.

Do say Hello if you see any new starters or new parents around school in the coming weeks.
